# From the Conference Moderator, Jennifer Delanty

During our Kalispell annual meeting in June, delegates discerned working together on a concrete project would help **foster unity** and strengthen our relationships with each other. To that end, we want you to be aware PNMC's Passion-Based Ministries exist for the purpose of encouraging communication between congregations, which can in turn inspire collaborative mission activities. The NW Mexico Liaison Ministry and Seed NW Team are two examples of a Passion-Based Ministry. Often developed organically and informally, such collaborations can evolve to seeking conference recognition and/or support. We would love to hear what ideas may generate from your prayerful consideration.

# From the PNMC Office

## Mennonite Central Committee

Thank you to all who contributed in many ways at the **Oregon Fall Festival for World Relief**. Your efforts produced a great total – nearly \$105,000, \$12,000 more than last year's total and this number does not include the \$10,000 anonymous donation nor does it include the nearly \$29,000 raised via the presale events. There are a few expenses yet to be covered, but it seems that the total income will be nearly \$155,000, *one of our highest revenue sales*. We are very thankful for generosity of so many and are grateful for our opportunity to contribute to the needs around the world. Again I thank everyone for your tremendous contributions. -*Ron Litwiller, Fall Festival Board Chair*.

DREAMer funds available! Scholarships are available from Mennonite Church USA to help with college or trade school tuition costs for undocumented young adults who are part of a Mennonite congregation or attend a Mennonite college/university. These funds come from the DREAMer Fund, which was originally established to help DREAMers apply for deferred action to be able to live and work legally in the U.S. At the Mennonite Church USA 2013 convention in Phoenix, more than \$27,000 was raised for this fund. However, due to the uncertain future of immigration reform, many DREAMers have been hesitant to apply, so the use of the fund is being expanded to include educational assistance. The next application deadline is January 30, 2015. Learn more here.
