From the PNMC Office

The PNMC Annual Meeting is this weekend! Please keep those who are traveling to Eastern Washington in your prayers. Pray that the time together brings hope and healing. Pray that the spirit moves among us and that love will build us up and pull us together. We are so grateful to the Warden and Menno congregations for hosting our gathering. We look forward to seeing you there!

The Mennonite Church USA biennial convention comes to Florida **July 4-8**. More than 3,000 delegates, staff, youth from across the country are expected to attend. The convention is one of the high points of community life for the church as well as its highest legislative gathering. "I believe there is great value when the people of God come together," said Glen A. Guyton, chief operation officer and director of convention planning. The theme for Orlando 2017 reminds us that for Christians, **love is more than just talk and meeting. It's putting your faith into action.** Worship is a highlight of the week, with keynote speakers this year including noted youth ministry expert **Mark DeVries**, author/theologian **Rachel Held Evans**, social media guru **Crystal Washington** and many Mennonite leaders. Outside of worship, **Ted & Co.** — a Mennonite drama group featuring actor Ted Swartz — will present a **new play based on the "Doctrine of Discovery"** and issues involving indigenous peoples. **Mennonite Women USA** will hold events celebrating that organization's centennial.
