Drift Creek Camp

Although the removal of the culvert at North Creek along Drift Creek Camp's only access road means that regular summer programs will not be offered, there is still much to do in preparation for spring rental groups and the upcoming closure. Before the gate is locked for the season, DCC will host several weekday outdoor education programs for local schools as well as church gatherings on weekends. The 2019 Work Weekend is scheduled for **Friday and Saturday, May 10-11**. Projects will include preparing the cabins for students, clearing the trails, spring cleaning the lodge, continuing work on the Caretaker Cabin and preparing the grounds for the upcoming closure. Please invite family and friends to lend a hand to "spruce up camp!" Please register at www.driftcreek.org.
