## From the PNMC Office

Our [2019 Annual Meeting](#) is this week! The gathering is a joyful time for growth and development within the conference. Mennonite Church USA has invited us on a **journey forward**, to be a people who *follow Jesus* and *experience transformation*. How is your congregation or community growing on your journey? We want to hear your stories! This annual gathering is an opportunity to share together about our journeys as God's people. It is also an opportunity to enrich your personal journey through the offered educational events. Dig deep into a topic, gain new skills and insights to strengthen congregational ministries. Remember, if you have an **active credential** in PNMC or are **serving in a ministerial role** please plan to attend the Friday morning **Healthy Boundaries 201** workshop. This is important information for all in ministry to be reminded of on a regular basis. Other leaders in your congregation are also welcome to attend. Learn more [here](#).

As you prepare for the gathering, please take a moment to read the reports from our local and national ministries, organizations and education partners. The [2019 Delegate Handbook](#) provides a glimpse into what's happening in our region, across the country and around the world. (The one posted does not yet have the Ballot information, but it will be updated soon.)

Follow [this link](#) to register. Look [here](#) for a listing of hotel and camping options. If you suffer from food allergies, look here for weekend's [food menu](#) so you can plan ahead if you need to bring alternative items.

Remember that the Pacific NW Mennonite Historical Society is hosting a screening of John Ruth's documentary "[Is there a Lesson? 45 years of the Anabaptist Story Trail in Europe](#)" on **Friday, June 21, 7pm** at Albany Mennonite.
