Pray For One Another...Hyde Park Mennonite Fellowship, Boise, ID

The past year at Hyde Park Mennonite Fellowship has been one of **transitions, flexibility, and learning new ways of being community**. At the beginning of September we welcomed our new pastor Christie Dahlin, her spouse Samuel and their one year old son Jedidiah from Seattle, WA. As Christie has transitioned into her new role, we as a community continued to experience the importance of flexibility as we returned to all zoom services once again. While we worship on Zoom and get to know our new pastor, we have been focused on finding **opportunities to connect and care for one another**. Including walks through downtown in search of public art, helping one another with raking, delivering Halloween bags to the children and youth of our congregation and finding creative ways to be with one another safely. We ask for your prayers as we continue to move through the transitions in our congregation and look expectantly to when we can gather in person once again.
