From the PNMC Office

We are gathering in-person for the first time in 2 and a half years. They haven't been easy years. For some of us, there has been deep personal grief. For all of us, there have been many small losses. And hardest of all has been the distance between us – geographic, social distancing, political polarization as we all found our way through these "unprecedented" times.

Our theme calls us to remember the connections we have. To remember our common commitment to God with us, to following Jesus, to loving one another. And it calls us to re-member our conference. To be there with one another as representatives of our various congregations who have promised to walk together.

June 17th will be a time for pastors to gather and review again our ethical commitments in the afternoon, then gather around tables to share an appreciation meal hosted by the PNMC Board and to consider "What is the Church For" together.

June 18th we will worship together, conduct the business of the conference, have the opportunity to learn from resource people, gather around tables, and enjoy remembering why we like each other! A light supper (with cake!) will be served for attendees following the final worship time. This will be a time to honor Katherine Jameson Pitts' generous years of service to PNMC.

Our gathering will be held at Zion Mennonite Church, Hubbard OR. Registration and details will be available on the PNMC website (<u>pnmc.org</u>) beginning **May 1**. Congregations are allowed one delegate per 25 members plus credentialed pastors, but all are welcome to come and be part of PNMC remembering/re-membering/and gathering together!

We always give thanks to God for all of you and mention you in our prayers, constantly remembering before our God and Father your work of faith and labor of love and steadfastness of hope in our Lord Jesus Christ. (1 Thess. 1:2-4)

Pray for One Another

Portland Mennonite Church, Portland, OR: Portland Mennonite has welcomed Michael Thier Hawke to the staff team in the role of Church Administrator. Michael was born and raised in Oregon. His grandparents owned the Uptown Tavern and bowling alley in Newport, and his Uncle Rick Bartow would sing and play guitar, inspiring Michael to start singing with bands and songwriting at a young age. Michael has volunteered for many years as "Music Man" for "Camp KC" a week-long summer camp for children whose families are affected by HIV, and spent 22 years in bank operations prior to joining the PMC staff. The kids at PMC now get to experience the joy that Michael brings to sharing his musical talent. Michael has a grown daughter DJ, is married to Chris Barghout, and loves to travel. PMC is thrilled to have him on board and are amazed at how quickly he is learning the alphabet soup of Mennonite acronyms.

Ukrainians are experiencing horrific acts of violence, and the U.S. government must continue to welcome Ukrainians who are seeking safe refuge. However, as we advocate for nonviolent solutions to this crisis and support displaced Ukrainians, we must ask ourselves why other refugee communities fail to receive the same reception. Read more on this topic here and wonder, "If the conditions or requirements of hospitality are that the stranger be familiar to us, then are we truly willing to welcome the stranger?"
